

## We've made it easier for you to order products with FxDirect!

- Your practitioner authorises products for you
- You receive an email link to your unique ordering form
- Have visibility to delivery timeframes for any out-of-stock products
- Choose the products you wish to add to cart
- Enter your delivery and payment details to complete order
- Need products refills? Simply visit the same link to complete another order
- If your practitioner adds more products for you, it gets added to the same place, so you have just one link!

CONVENIENT – STREAMLINED – FASTER PROCESSING TIMES

Bookmark the link on your browser so you can easily access it anytime! If you have any troubles, simply visit **[fxmed.co.nz/public](https://fxmed.co.nz/public)** and enter your email address to be re-sent the link
