

# HOW TO UPDATE YOUR PUBLIC PROFILE

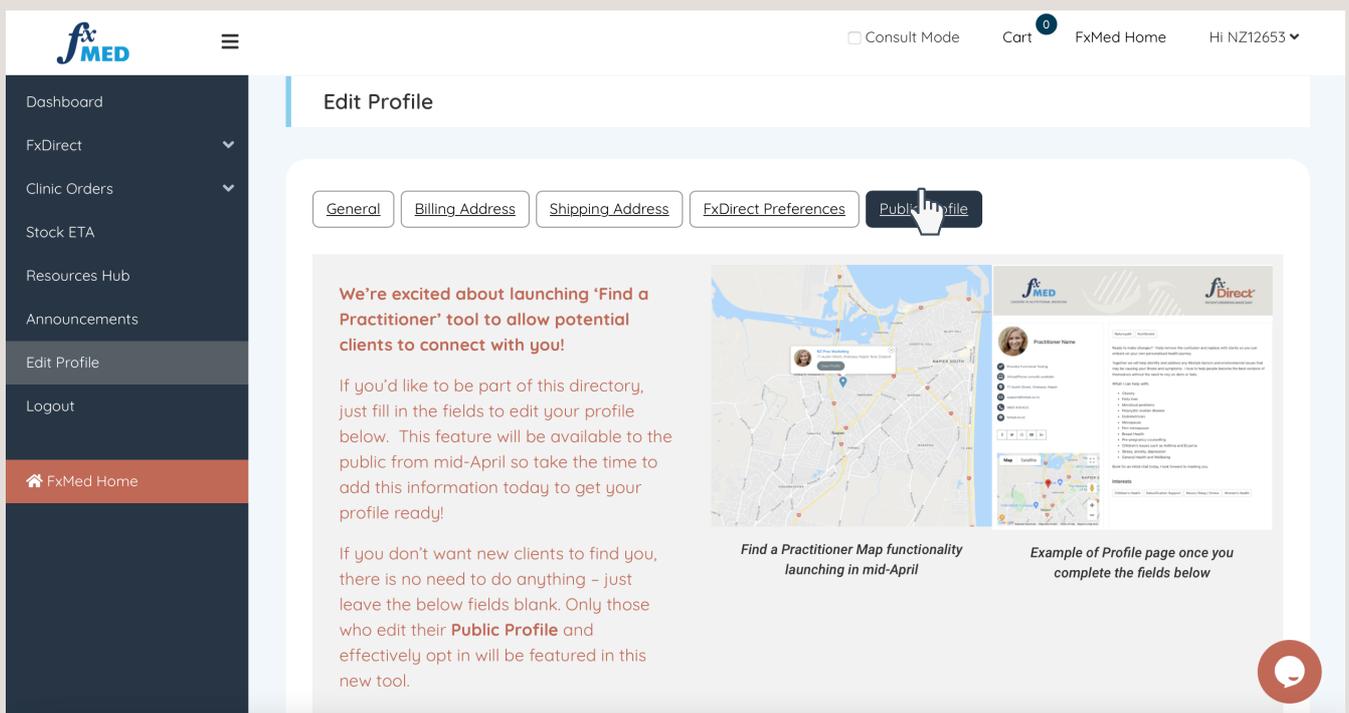

# 1. EDIT PROFILE

Once logged in, click on 'Edit Profile' as shown below

# 2. NAVIGATE TO 'PUBLIC PROFILE'

Click on 'Public Profile' tab as shown below

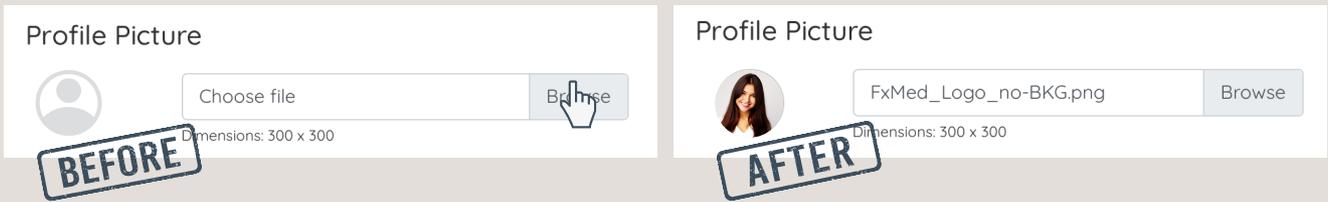

### 3. ADD PROFILE DETAILS

- Tick the checkbox if you offer Virtual/Phone consultations
-  Add all information you would like publicly viewable
-  Select your Qualification/s from the dropdown menu
-  If your qualification is not listed, you can choose Natural Health Practitioner from the dropdown
-  Select your Special Interests from the dropdown menu
- Tick the checkbox if you offer Functional Testing

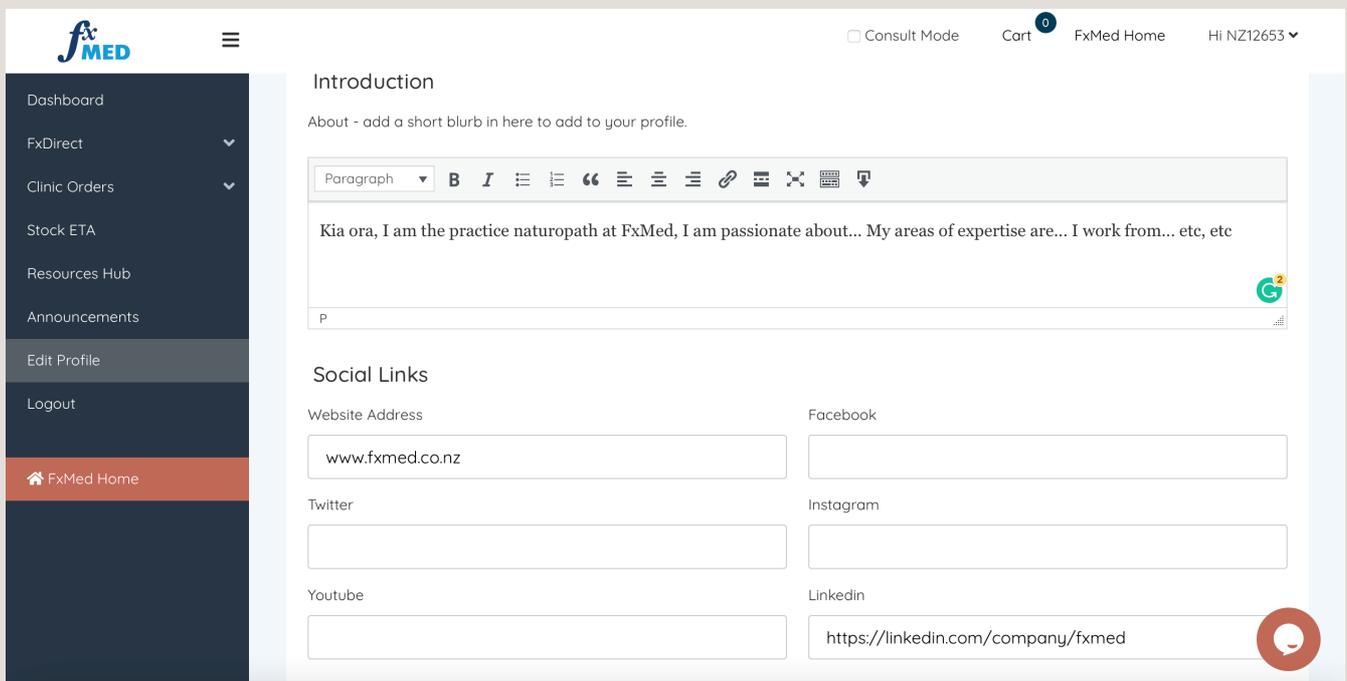

## 4. PROFILE PICTURE

Add a Profile Picture - this could be a headshot, logo or any imagery (square size will work best)

## 5. INTRODUCTION & SOCIAL LINKS

- Type in an Introduction about you/your clinic, you can add links and basic formatting here
- Copy and paste in any Social Links

## 6. PUBLISH (UPDATE & PREVIEW)

OR if you want to come back to finish your profile later, check 'Save my profile as draft to finish later'

 Click on Update

 Preview (to view what your profile looks like published)
