

LEADERS IN NUTRITIONAL MEDICINE

TOP PRODUCTS LIST

NEW ZEALAND | MARCH 2024

GLOBALLY SOURCED PRACTITIONER BRANDS
FROM A TRUSTED PARTNER.

0800 439 633 | support@fxmed.co.nz | www.fxmed.co.nz

Over two decades ago, FxMed's journey began, stemming from a need for practitioners to access premium nutritional brands and functional diagnostics.

Today, we remain a family-owned NZ business consisting of a passionate team including qualified professionals dedicated to supporting you in your clinical practice.

“

Our Vision

To make a difference to healthcare in New Zealand and Australia, by providing practitioners with a personalised and preventive health model, that supports the expression of vitality and wellness in each individual. We deeply care about the patients that our practitioners serve. Hearing countless powerful stories of patients getting better is the reason for everything we do, and brings us closer to realising our vision.

”

Amal Karl
CEO

Be good, do good.

Giving back to society aligns with our company ethos.

KidsCan

Donation total of \$182,159* to help brighten the future opportunities of Kiwi kids in need.

*FxMed and NaturalMeds donations combined as at January 2024.

Bihar School of Yoga (BSY)

Proceeds from the sale of yoga books back to BSY to help their rural outreach initiatives in India.

Police Managers' Guild Trust

Proud to support their work towards creating a safer community for Kiwi families.

Red Cross

Financial aid to assist a long road of recovery ahead as our region bore the brunt of Cyclone Gabrielle in 2023.

Welcome to FxMed's Top Products List

Our Technical Support Team has designed this Top Products List to highlight FxMed's current top selling products by category. This list provides a quick summary to help practitioners navigate our wide range of products and brands.

Also available is the Top Products Booklet which provides in-depth information including product descriptions, supplement facts, suggested use and associated educational resources.

Please visit the Resources section of the Practitioner Hub to download the Top Products Booklet (contains interactive icons for educational resources). If you prefer a hard copy, please request one with your next order.

For pricing on all Top Products mentioned, please refer to the FxMed Pricebook.

Section 1

Products by Category

2

Quick reference, list-style – product names are listed alphabetically under category headings. 'Also see' sections include products that fall under multiple categories.

Section 2

Practitioner Hub & FxDirect

Practitioner Hub

Our one-stop personalised space for you – packed full of functionality to make clinic ordering and FxDirect (patient ordering) easy and convenient.

Your clinic ordering made easier

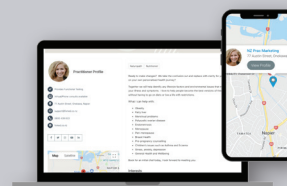

- Ingredients searching and filter by condition or product-type
- View delivery timeframes for products and backorders
- Product alternatives for out-of-stocks
- My Favourites and re-order from clinic history
- View Top Product Recommendations
- Consult-mode
- Make the most of limited stock specials

Showcase your profile

Allow potential clients to find and connect with you through our Find a Practitioner Tool.

Simply add a photo, a bio or introduction to your clinic, special interests, contact information and social media handles so you can be featured on the map.

Functional Testing services

- For assistance in interpretation once you've received and read through the test results – book a session online for this very popular service with our Technical Support team.
- Patient test results are uploaded and stored securely within the Hub for easy retrieval.

Resources at your fingertips

Easy access to the latest protocols, guides, catalogues and whitepapers

For help, see our FAQs, Visual Guides in our Support Centre or reach out via the pop-up chat and we'll get back to you!
