TOP PRODUCTS LIST

NEW ZEALAND | MARCH 2025

www.fxmed.co.nz

Founded 25 years ago, FxMed remains a trusted family-owned NZ business delivering premium nutritional brands and functional diagnostics. Our passionate team, including qualified professionals, is committed to supporting you in your clinical practice.

“

Our Vision

To shift healthcare in New Zealand and Australia by helping practitioners focus on prevention and personalised care.

Every patient success story fuels our drive to create a future where vitality and wellness are the norm, not the exception.

Amal Karl
CEO

”

Proud to be supporter of KidsCan

With your help, we have donated NZ\$208,741* to date – in a quest to create brighter futures for Kiwi kids in need.

*This amount reflects a collective donation by the FxMed Group as at Jan '25

Be good, do good.

Embracing Mindful Living

FxMed believes mindfulness is a vital pillar of overall wellbeing.

Welcome to FxMed's Top Products List

Our Technical Support Team has curated this comprehensive Top Products List to showcase FxMed's best-selling products by category. This list offers a streamlined overview, helping practitioners easily navigate our wide range of products and brands, making it quicker than ever to find exactly what you need. We've also highlighted some of our most popular clinic essentials – core foundational supplements commonly used in practice. You can locate these using the key at the top right of the page.

For detailed product information including product descriptions, supplement facts, suggested use, educational resources and pricing, please visit the FxMed Practitioner Hub.
