# RenewGut Thrive™

## GI Optimizer\*

RenewGut Thrive™ delivers a 3-in-1 formula featuring pasteurized *Akkermansia* and Tributyrin to support gut barrier integrity, metabolic function, and a healthy immune response.

### Mechanisms of Action

- Fortifies gut lining to promote a healthy mucosal barrier\*
- Promotes healthy cytokine activity\*
- Provides healthy histamine support in the gut\* (both histamine absorption & degranulation)
- Improves microbiome balance in the digestive tract\*
- Supports short-chain fatty acid (SCFA) levels, promoting microbial diversity and immune health\*
- Supports metabolic health, including insulin function, thermogenesis, and lipid metabolism\*

A well-functioning gut barrier is essential for overall health. A healthy gut barrier allows for critical nutrient absorption while blocking absorption of unwanted substances. Free from aloe vera and glutamine (which can cause undesired side effects), this formula instead provides collagen peptides (Types I & III) rich in glycine, proline, and hydroxyproline, along with other
